

Madison College
ADMISSION COMMUNICATION PERMISSION FORM

Why CIE is collecting this information:

1. Some international students use additional support during their application and admission process. We need your permission to share admission and enrollment information with a friend or family member. By signing this form, you are authorizing us to share information regarding your application checklist, visa, or enrollment status.
2. We will not share any other information, such as your grades, disciplinary actions against you, and non-emergency health information.
3. In any event, such as a safety or health emergency, the college is authorized to release some information about you to select persons on a need to know basis.

Note: This permission is valid during the admission process only. After admission, if you would like information to be released to an individual, you must complete a FERPA Release Form <https://madisoncollege.edu/ferpa>
