GRADUATION CEREMONY

# Congratulations to our 2023 Madison College graduates

Dear Graduates:

In the flurry of semester-end and pre-commencement activity it's important that we take a moment to pause and reflect on the significance of your accomplishments. That's what tonight is for.

The successful completion of your studies is a milestone that warrants celebration. It's an achievement to be proud of as you collect your college diploma and start writing the next chapter of your story.

I've presided over many commencement ceremonies and I am honored to share this one with you. Getting to commencement took hard work, sacrifice, resolve, and a steadfast belief in yourself and your goals and I join with your family, friends, instructors, and others tonight in celebrating each of you and your success.

For each graduate in this room, there is a unique story and journey that brought you here. But one commonality is your vision and belief in the importance of a college education. It will serve you well and benefit you, your families, our workforce, and our community.

Tonight, you become a Madison College alumni, joining legions of others who came before you. Wherever your next chapter takes you, please carry this affiliation proudly and serve as an ambassador for the college and a representative of the values we hold dear.

Sincere congratulations on your graduation, and our best wishes and hopes for a fulfilling, happy, and prosperous future.

Go WolfPack!

## Student Representative to the District Board

---

### Mackenzie Carstens

Business Management Program

Mackenzie Carstens came to Madison College in 2021 to learn the skills necessary to be successful professionally and in his personal life. He took on leadership roles in the Student Life Office with the Executive Leadership Team and as Vice-President of the Business Professionals of America club. Mackenzie is studying Business Management with an emphasis on Marketing. After completing his Associates Degree, he will be attending UW-Whitewater to major in Marketing.

Mackenzie credits his success at Madison College from the support and real-life skills and examples instructors and college leadership use. His values include integrity, respect, responsibility, and fairness. Leaders are not born; leaders are made through difficult situations that require maximum effort.

## Wisconsin Technical College System Ambassador

---

### Annette Crowder

Human Services Associate and Addiction Studies

As a first-generation college student in her family and a parent, Annette firmly believes in the advantages of attending college. After being laid off twice from two well-loved employment positions, she realized the need to practice what she preached. That's why she returned to school for a degree matching her years of experience in case management and supervision. Pursuing this degree will improve her future outcomes and prevent her from having to start again from the ground up. Most importantly, it will help her be a role model, no matter her age, proving that it's essential to ensure she is always the best version of herself.

Annette has served in many leadership roles during her time as a student at Madison College, including President of the Black Student Union, Vice President of Team Development and Goodman South Campus Representative on the Student Senate, and Writing Center Fellow. She has also served on many committees at Madison College, representing the student voice on the Diversity and Community Relations Council, Vision 2030 Advisory Panel, and Student Parent Policy Review.

## Student Speakers

### Monica Guzman Caldwell

Human Services Associate

---

My name is Monica G Caldwell, I am originally from Cali, Colombia. I am currently working as a Certified Peer Specialist Trainer Lead and Career Support Specialist at Centro Hispano of Dane County. I have over 8 years of experience in helping people navigate community resources and strengthen their abilities through education, specifically within the Latinx community. I came to the United States 25 years ago in search of better opportunities, leaving my family and traditions behind to achieve that goal. I have always been passionate about supporting individuals in need. I always dreamt of enrolling in Human Services at Madison College, but it didn't happen immediately. I had to overcome other barriers such as learning a new language and becoming financially sustainable. Years later, I was fortunate enough to receive the Fast Forward Grant from Dane County in collaboration with Centro Hispano of Dane County. This enabled me to start a fast track of my career dream at Madison College. Later, as a veteran spouse, I was financially supported and was able to complete the Human Service Associate. Today, I am proud of my career completion and what I have learned and achieved during my time at Madison College. I always remember the importance of empathy, compassion, and understanding to build a more inclusive and equitable society for all. I believe in the value of representation and the need to advocate for marginalized voices.

### Leslie Jump

Human Services Associate

---

My name is Leslie Jump. I am originally from Peru. I have spent the last seventeen years in the United States. I have a bachelor's degree in business administration and a diploma in addiction studies. I started working in Dane County as a bilingual social services specialist recently. Prior to this, I held the position of Student Support Specialist at Madison College.

Additionally, I have worked for almost five years at the Hispanic Center. Since I was little, I have liked to help others. My mother instilled in me the value of helping those in need. As such, I chose to specialize in human services; I consider that field my lifelong passion. I am secretary of the board of directors of UNIDOS Domestic Violence and co-president of Formando Lazos Familiares. Additionally, I have worked as a volunteer peacemaker with the Dane County Restorative Court.

My husband and I decided to emigrate to this country so that our children could have a better future. It was an excellent opportunity for my entire family since today I will graduate in human services. I am proud to complete my degree and begin the next phase of my professional career. I will persist in championing the cause of those in need of assistance and encourage constructive transformation.

## Student Senate President

---

### Kai Brito

Accounting, Associate Degree

---

Kai Brito may have been born in California, but Wisconsin is where his life began, specifically in the local community of Fort Atkinson, just a few blocks away from the Madison College regional campus. Kai is an active participant in local affairs because he believes in grassroots governance, which is why he advocates for college tuition affordability, sustainable campus operations, the recognition of chosen names on student ID cards, and the overall feeling of inclusion & belonging on this campus. He is enrolled in the Accounting Associate Degree program at Madison College where he also serves as President of Student Senate, Wisconsin Student Government, and Business Professionals of America. After graduation, he plans to complete a Bachelor of Business Administration and then become a Certified Public Accountant (CPA). In his free time, Kai is interested in body improvement, climate advocacy and tanking the damage in RPGs/roguelikes.

## 2024 Distinguished Teacher of the Year

---

### Craig Kleinsteiber

Full-Time Instructor, Automotive

I was a youth apprentice in high school working for a local car dealership. After graduating from Watertown Senior High, I continued my education at Madison College as an apprentice in the CAP program working for the same car dealership. After graduating from Madison College, I continued working full time in the automotive field earning several certifications. Eventually, I was able to achieve my lifelong dream of starting and running

an automotive repair business. I ran a successful repair business alongside my wife for about 10 years. I struggled to find good, qualified employees which started the thought of possibly being a teacher. I taught one year at SMC technical college before having a great opportunity to come back home to Madison College. I will be wrapping up my 6th year this spring as well as graduating from Ferris State University after pursuing a bachelor's degree 6 years ago. Outside of work and school, I love spending time outdoors biking, skiing, hiking, and just hanging out with family and friends.

### Mikael Snitker

Part-Time Instructor, Psychology

Mikael Snitker holds a PhD in Rehabilitation Psychology with a minor in Quantitative Statistics from the University of Wisconsin-Madison (2010), and a master's degree in Rehabilitation Counseling from Western Oregon University (2003). He is a Licensed Professional Counselor in Wisconsin and Nevada and a nationally Certified Rehabilitation Counselor.

He recently completed his master's degree in Curriculum and Instruction from the University of Wisconsin-Madison (2024), Design, Inclusive and Creative Education (DICE) Program. His thesis focused on inclusive learning ecologies in psychology courses and efficacy building for technical college students in psychology courses with an emphasis on applied psychology in everyday life.

Madison College does not discriminate on the basis of race, color, national origin, sex, disability or age in its programs or activities. Inquiries regarding the nondiscrimination policies are handled by Human Resources, 1701 Wright Street, Madison, WI. 53704. Phone 608.243.4137.

## ACADEMIC REGALIA

As we know it, academic life began first in the church, then in the guilds. The teaching guild was the Guild of the Master of Arts, where the bachelor was the apprentice of the master, and the dress was the outward sign of privilege and responsibility.

Although the flowing gown was originally worn for protection against the cold of unheated buildings, it has now become a symbol of the democracy of scholarship, since it covers any dress of rank or social standing worn underneath. The bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. The bachelor's and master's gowns are untrimmed.

The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing or bars may be black or another color pertaining to the discipline.

The hood gives color to the academic costume while its length indicates the wearer's academic degree. Hoods are made in a wide panel of black cloth matching the gown, and are lined with satin in the official academic colors of the institution where the degree was conferred.

The colors are used in the edging of hoods, and in some cases for the trim of the doctor's gowns associated with the discipline.

## Special Service and Award Distinctions

---

Graduates who are receiving special distinctions and honors can be identified by the different tassels, cords or stoles they wear in today's ceremony.

### **Special Service to the College and Community: gold cord**

Indicates exceptional service to the college and others.

### **High Academic Honors: white cord**

Indicates a 3.75 cumulative grade point average or above in program of study.

### **Veteran/Active Military: red, white and blue cord**

Identifies those graduates who have served, or are serving, in the U.S. military.

### **Phi Theta Kappa International Honor Society: gold stole and tassel**

Phi Theta Kappa is the honor society for high academic achievement at a two-year college.

### **TRiO Program: multi-colored stole**

TRiO is a federal student support program for first-generation college students, students with disabilities or those facing economic challenges.

### **International Students**

International students will be wearing stoles representing their home countries.

### **Honors Program: gold medallion**

Antique gold medallions with navy blue ribbons identify those graduates who have successfully completed the Honors Program.

### **Delta Alpha Pi International Honor Society: yellow and blue tassel**

Delta Alpha Pi is an academic honor society founded to recognize high-achieving students with disabilities who are attending colleges.

### **Sigma Alpha Pi National Society of Leadership and Success: silver stole**

The National Society of Leadership and Success is dedicated to the enhancement of leadership skills for students.

### **TOPS College Success Program: blue and white cord**

The Teens of Promise (TOPS) College Success Program supports scholars from the Madison Metropolitan School District for college and career success.

### **Scholars of Promise: Silver Stole**

Scholars of Promise empowers income-eligible students to start their higher education journey with strong programs and financial support to reach their academic dreams.

### **Promise to Promise Navy blue and red cords**

Through the Promise to Promise agreement between Madison College and the University of Wisconsin-Madison, Scholars of Promise students have an opportunity to continue their education and pursue a Bachelor degree.

### **Skills USA National Qualifiers: Red and white cords**

SkillsUSA empowers its members to become world-class workers, leaders and responsible American Citizens.

Those wearing the white stole along with the red and white cord are members who are national qualifiers.

### **Student Parent Graduation Pin**

Celebrates the hard-earned success of our student parents, who balance family and school (and often work) obligations to achieve their educational goals.

### **White Stole with Blue Ho Chunk Applique**

Bestowed to Native American/American Indian graduates in honor of their academic achievements.

### **The Kente Graduation Stole**

In gold, green, blue, red, and black, this stole recognizes the achievements of our Black and African students and pays homage to their African Ancestry and the diaspora.

### **Blue and Silver Cord**

Celebrating the academic achievements of Latine students.
