**Commencement
Ceremony**

**December
2024**

Congratulations to Our 2024 Madison College Graduates

Dear Graduates:

In the flurry of semester-end and pre-commencement activity it's important that we take a moment to pause and reflect on the significance of your accomplishments. That's what tonight is for.

The successful completion of your studies is a milestone that warrants celebration. It's an achievement to be proud of as you collect your college diploma and start writing the next chapter of your story.

I've presided over many commencement ceremonies and I am honored to share this one with you. Getting to commencement took hard work, sacrifice, resolve, and a steadfast belief in yourself and your goals and I join with your family, friends, instructors, and others tonight in celebrating each of you and your success.

For each graduate in this room, there is a unique story and journey that brought you here. But one commonality is your vision and belief in the importance of a college education. It will serve you well and benefit you, your families, our workforce, and our community.

Tonight, you become a Madison College alumni, joining legions of others who came before you. Wherever your next chapter takes you, please carry this affiliation proudly and serve as an ambassador for the college and a representative of the values we hold dear.

Sincere congratulations on your graduation, and our best wishes and hopes for a fulfilling, happy, and prosperous future.

Go WolfPack!

Jack E. Daniels III, Ph.D.

Shiva Bidar-Sielaff

Daniel J. Bullock

Christopher W. Canty

Donald D. Dantzer, Jr

Shana R. Lewis

Melanie Lichtfeld

Ann McNeary

Tonya Olson

Korbey White

Tonight, you will become a member of an impressive group of difference makers - the Madison College alumni. Our graduates have achieved significant accomplishments in many fields, and we look forward to hearing of your future success. We are confident you will meet the challenges that are ahead and succeed with enthusiasm and pride. Congratulations, and keep in touch!

- Madison College District Board of Trustees

Student Representative to the District Board

Ruiqi Zeng

Liberal Arts Transfer - Science, Technology, and Math

Ruiqi Zeng transferred to Madison College from UW-Madison to continue her education after a turn of events following the Covid-19 pandemic. Ruiqi soon found communities she was passionate about, serving as the Chapter President of Phi Theta Kappa Honor Society - Beta Beta Psi Chapter, President of Future Healthcare Professionals Club, and Student Liaison to the District Board. Outside of school, Ruiqi works as a nursing assistant, gaining valuable experience in patient care for her future career as a physician assistant, aspiring to support disadvantaged women and children. After graduation, Ruiqi will complete her bachelor's degree in Biology.

Ruiqi appreciates the passionate and dedicated faculty and staff at Madison College for supporting her academic success, leadership, and opportunities for growth. She has cherished the opportunities to be involved and get to know other student on a close-knit campus. She is grateful for her accomplishments at Madison College and feels prepared and confident in her future pursuits.

Wisconsin Technical College System Ambassador

Annette Crowder

Human Services Associate and Addiction Studies

As a first-generation college student in her family and a parent, Annette firmly believes in the advantages of attending college. After being laid off twice from two well-loved employment positions, she realized the need to practice what she preached. That's why she returned to school for a degree matching her years of experience in case management and supervision. Pursuing this degree will improve her future outcomes and prevent her from having to start again from the ground up. Most importantly, it will help her be a role model, no matter her age, proving that it's essential to ensure she is always the best version of herself.

Annette has served in many leadership roles during her time as a student at Madison College, including President of the Black Student Union, Vice President of Team Development and Goodman South Campus Representative on the Student Senate, and Writing Center Fellow. She has also served on many committees at Madison College, representing the student voice on the Diversity and Community Relations Council, Vision 2030 Advisory Panel, and Student Parent Policy Review.

Student Speaker

Alex Kaiser

Liberal Arts Transfer - Engineering Pre-Major

My name is Alex Kaiser and I was born and raised in Madison. I am graduating from Madison College with my associates of science. I plan to attend the University of Wisconsin-Madison and pursue my bachelors in mathematics. I enjoy tutoring calculus and volunteering at the EMCC after school program.

Student Senate President

Kai Brito

Accounting, Associate Degree

Kai Brito may have been born in California, but Wisconsin is where his life began, specifically in the local community of Fort Atkinson, just a few blocks away from the Madison College regional campus. Kai is an active participant in local affairs because he believes in grassroots governance, which is why he advocates for college tuition affordability, sustainable campus operations, the recognition of chosen names on student ID cards, and the overall feeling of inclusion & belonging on this campus. He is enrolled in the Accounting Associate Degree program at Madison College where he also serves as President of Student Senate, Wisconsin Student Government, and Business Professionals of America. After graduation, he plans to complete a Bachelor of Business Administration and then become a Certified Public Accountant (CPA). In his free time, Kai is interested in body improvement, climate advocacy and tanking the damage in RPGs/roguelikes.

MADISON COLLEGE

Scholars of Promise

Making college possible by removing financial barriers

- » Open to eligible high school seniors, graduating this year, in the Madison College district
- » For eligibility details, visit madisoncollege.edu/scholars-of-promise

ACADEMIC REGALIA

As we know it, academic life began first in the church, then in the guilds. The teaching guild was the Guild of the Master of Arts, where the bachelor was the apprentice of the master, and the dress was the outward sign of privilege and responsibility.

Although the flowing gown was originally worn for protection against the cold of unheated buildings, it has now become a symbol of the democracy of scholarship, since it covers any dress of rank or social standing worn underneath. The bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. The bachelor's and master's gowns are untrimmed.

The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing or bars may be black or another color pertaining to the discipline.

The hood gives color to the academic costume while its length indicates the wearer's academic degree. Hoods are made in a wide panel of black cloth matching the gown, and are lined with satin in the official academic colors of the institution where the degree was conferred.

The colors are used in the edging of hoods, and in some cases for the trim of the doctor's gowns associated with the discipline.

Special Service and Award Distinctions

Graduates who are receiving special distinctions and honors can be identified by the different tassels, cords or stoles they wear in today's ceremony.

Special Service to the College and Community: Gold Cord

Indicates exceptional service to the college and others.

High Academic Honors: White Cord

Indicates a 3.75 cumulative grade point average or above in program of study.

Veteran/Active Military: Red, White, and Blue Cord

Identifies those graduates who have served, or are serving, in the U.S. military.

Phi Theta Kappa International Honor Society: Gold Stole and Tassel

Phi Theta Kappa is the honor society for high academic achievement at a two-year college.

TRiO Program: Multi-colored Stole

TRiO is a federal student support program for first-generation college students, students with disabilities, or those facing economic challenges.

International Students

International students will be wearing stoles representing their home countries.

Honors Program: Gold Medallion

Antique gold medallions with navy blue ribbons identify those graduates who have successfully completed the Honors Program.

Delta Alpha Pi International Honor Society: Yellow and Blue Tassel

Delta Alpha Pi is an academic honor society founded to recognize high-achieving students with disabilities who are attending colleges.

Sigma Alpha Pi National Society of Leadership and Success: Silver Stole

The National Society of Leadership and Success is dedicated to the enhancement of leadership skills for students.

TOPS College Success Program: Blue and White Cord

The Teens of Promise (TOPS) College Success Program supports scholars from the Madison Metropolitan School District for college and career success.

Scholars of Promise: Silver Stole

Scholars of Promise empowers income-eligible students to start their higher education journey with strong programs and financial support to reach their academic dreams.

Promise to Promise: Navy Blue and Red Cords

Through the Promise to Promise agreement between Madison College and the University of Wisconsin-Madison, Scholars of Promise students have an opportunity to continue their education and pursue a bachelor's degree.

Skills USA National Qualifiers: Red and White Cords

SkillsUSA empowers its members to become world-class workers, leaders and responsible American Citizens. Those wearing the white stole along with the red and white cord are members who are national qualifiers.

Student Parent Graduation Pin

Celebrates the hard-earned success of our student parents, who balance family and school (and often work) obligations to achieve their educational goals.

White Stole with Blue Ho Chunk Applique

Bestowed to Native American/American Indian graduates in honor of their academic achievements.

The Kente Graduation Stole

In gold, green, blue, red, and black, this stole recognizes the achievements of our Black and African students and pays homage to their African Ancestry and the diaspora.

Blue and Silver Cord

Celebrating the academic achievements of Latine students.
