Commencement Ceremony

May
2025

Congratulations to Our 2025 Madison College Graduates

Dear Graduates:

The milestone of graduation is marked by ceremony, robes, inspirational speeches and the well-wishes of family and friends. In the midst of it all, I hope you are able to take a moment and reflect on what brought you here.

I hope you pause to acknowledge the work you put in, the challenges you overcame, and the sacrifices you made in the pursuit of your goal.

I hope you think about your unique story and consider how the time you spent at Madison College set you up for your next chapter - whatever that is.

And finally, I hope you celebrate and enjoy this moment with your classmates and supporters. The successful completion of your studies is an accomplishment to be proud of.

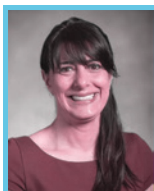

Before coming to Madison College, each and every one of you, at some point, decided that pursuing a college education was an important component of your life's plan. You understood that completing a degree or certificate would unlock doors and help you achieve your dreams. That's the power of education.

And now, with tonight's ceremony, you join the ranks of Madison College alumni working and living in our communities. I encourage you to carry this affiliation proudly and continue to uphold the values of your alma mater.

All of us on the Madison College faculty and staff congratulate you on your graduation. We send you forward with our best wishes for a future that finds you thriving, happy and successful.

Go WolfPack!

Tim Casper, Ed.D.
Interim President

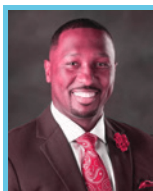

Shiva Bidar-Sielaff

Daniel J. Bullock

Christopher W. Canty

Donald D. Dantzler, Jr

Shana R. Lewis

Melanie Lichtfeld

Ann M. McNeary

Dr. Tonya Olson

Korbey White

Tonight, you will become a member of an impressive group of difference makers - the Madison College alumni. Our graduates have achieved significant accomplishments in many fields, and we look forward to hearing of your future success. We are confident you will meet the challenges that are ahead and succeed with enthusiasm and pride. Congratulations, and keep in touch!

Wisconsin Technical College System Ambassador & Student Senate President

Jose Villareal

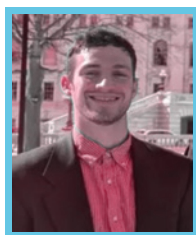

LAT - Science, Math, and Technology

Throughout the year, Villareal aims to motivate and inspire potential students to attend Madison College while fostering an atmosphere of acceptance and camaraderie.

He plans to transfer to UW-Madison to complete his bachelor's degree in biology. He currently works at Exact Sciences Corp. in Madison and aspires to enter an analytical lab, contributing to the development of early cancer diagnostics through research and development.

Born and raised in Madison, Wisconsin, Villareal works full-time and serves as a senator in the Madison College Student Senate. He is a dedicated team player who is always willing to help. In his free time, he enjoys spending time with his fiancée and their four-month-old daughter.

Student Senate VP Administration and Finance

Quinn Mattsson

LAT - Science, Math, and Technology

Quinn Mattsson is proud to call Madison his home. Growing up off of South Park street, he didn't think higher education had a place for him, and worked various jobs after high school. Frustrated by the problems he saw so many people facing, he decided to make his place in higher education himself. Quinn intends to complete a Bachelor's degree after graduating from Madison College's Liberal Arts Transfer Program and ultimately give back to the people and places that shaped him.

Student Representative to the District Board

Ruiqi Zeng

Liberal Arts Transfer - Science, Technology, and Math

Ruiqi Zeng transferred to Madison College from UW-Madison to continue her education after a turn of events following the Covid-19 pandemic. Ruiqi soon found communities she was passionate about, serving as the Chapter President of Phi Theta Kappa Honor Society - Beta Beta Psi Chapter, President of Future Healthcare Professionals Club, and Student Liaison to the District Board. Outside of school, Ruiqi works as a nursing assistant, gaining valuable experience in patient care for her future career as a physician assistant, aspiring to support disadvantaged women and children. After graduation, Ruiqi will complete her bachelor's degree in Biology.

Ruiqi appreciates the passionate and dedicated faculty and staff at Madison College for supporting her academic success, leadership, and opportunities for growth. She has cherished the opportunities to be involved and get to know other student on a close-knit campus. She is grateful for her accomplishments at Madison College and feels prepared and confident in her future pursuits.

Student Speaker

Annette B. Crowder (She/Her)

Human Services and Addiction Studies Graduate, Madison College

Annette B. Crowder is a first-generation college graduate, community advocate, and changemaker whose journey is stitched together with purpose, pain, and perseverance. She is transferring to UW-Whitewater to obtain a bachelor's in social work. While transferring wasn't in her original plan, Annette walks forward clearly, knowing that "detours don't derail the determined. They deepen the dream."

Annette has held multiple leadership roles on campus, including President of the Black Student Union, WTCS State Ambassador, Vice President of Team Development for the Student Senate, and Writing Fellow. She is a proud member of TRIO under RISE and the National Society of Leadership and Success. Her leadership is defined by collaboration, vision, and a fierce love for her community.

She extends deep gratitude to Suzanne G. (English Faculty), thank you for that day, to Sara B. (RISE Advisor), my truth teller, the entire Human Services faculty, the Student Life Team, and especially Ellie, for your foresight. To the Black Student Union Executive Team and her Student Senate family, your strength became mine, and our purpose was always bigger than ourselves. Madison College, thank you to everyone who sees us and helps us, from those making the building nice to those offering a seat at the table with an open mind and ear for centering students.

To her sister: "Our ancestors are watching us move mountains."

To her entire family: "Thank you for fueling my fire through every season."

And to her late mother, Roberta; brother, Tyrone; and best friend, Jonell: "This crown wasn't handed to me. I carried it quietly in my backpack through every storm, and I wear it now because of each of you."

2025 Distinguished Teachers of the Year

Steve Noll

Marketing

Steve Noll has taught at Madison College for almost 20 years in the Marketing Department. He also volunteers with numerous arts organizations with promotion and marketing, in addition to writing and directing local theatre. Steve is also a published photographer with his work being featured in museums, galleries, and global news media. He thanks his students for keeping him focused in the "real world" to become a better teacher.

Pierre Stephenson

Applied Arts

Pierre Stephenson is an award-winning PPA Master Photographer with over 30 years of experience in commercial, real estate, and portrait photography. Pierre serves as an adjunct professor of photography at Madison College, where he teaches both aspiring and professional photographers. His educational contributions extend beyond the classroom, as he conducts workshops and seminars across North America. As an educator, Pierre is committed to mentoring the next generation of photographers, both through his role at Madison College and his broader teaching engagements.

Erin Kupkovitz

Practical Nursing

I have been a nurse for over 20 years and a teacher since 2011. I have worked for Madison College since 2013 at the Watertown campus, teaching in the Associate Degree Nursing program. I love working with students starting on their nursing school journey and helping them to discover the unique pathway to successfully get them to their goal of nurse. My passion is teaching students in the first semester, especially in nursing skills and in their first clinical experiences. I am an advocate and author for Open Educational Resources used at Madison College. In 2024, I graduated with my Doctorate in Nursing Practice(DNP) from Alverno College with a track in Leadership and Education. In January of 2025, I started a new position at Madison College as the Practical Nursing Program Director. I continue to teach students who are transitioning from LPN to ADN at Madison College. My teaching philosophy has always centered on student success and being a mentor and advisor. My life outside of Madison College is completed by my husband, Jason, and my two boys, Jackson and Oscar.

MADISON COLLEGE

Scholars of Promise

Making college possible by removing financial barriers

- » Open to eligible high school seniors, graduating this year, in the Madison College district
- » For eligibility details, visit [**madisoncollege.edu/scholars-of-promise**](https://madisoncollege.edu/scholars-of-promise)

ACADEMIC REGALIA

As we know it, academic life began first in the church, then in the guilds. The teaching guild was the Guild of the Master of Arts, where the bachelor was the apprentice of the master, and the dress was the outward sign of privilege and responsibility.

Although the flowing gown was originally worn for protection against the cold of unheated buildings, it has now become a symbol of the democracy of scholarship, since it covers any dress of rank or social standing worn underneath. The bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. The bachelor's and master's gowns are untrimmed.

The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing or bars may be black or another color pertaining to the discipline.

The hood gives color to the academic costume while its length indicates the wearer's academic degree. Hoods are made in a wide panel of black cloth matching the gown, and are lined with satin in the official academic colors of the institution where the degree was conferred.

The colors are used in the edging of hoods, and in some cases for the trim of the doctor's gowns associated with the discipline.

Special Service and Award Distinctions

Graduates who are receiving special distinctions and honors can be identified by the different tassels, cords or stoles they wear in today's ceremony.

Special Service to the College and Community: Gold Cord

Indicates exceptional service to the college and others.

High Academic Honors: White Cord

Indicates a 3.75 cumulative grade point average or above in program of study.

Veteran/Active Military: Red, White, and Blue Cord

Identifies those graduates who have served, or are serving, in the U.S. military.

Phi Theta Kappa International Honor Society: Gold Stole and Tassel

Phi Theta Kappa is the honor society for high academic achievement at a two-year college.

TRiO Program: Multi-colored Stole

TRiO is a federal student support program for first-generation college students, students with disabilities, or those facing economic challenges.

International Students

International students will be wearing stoles representing their home countries.

Honors Program: Gold Medallion

Antique gold medallions with navy blue ribbons identify those graduates who have successfully completed the Honors Program.

Delta Alpha Pi International Honor Society: Yellow and Blue Tassel

Delta Alpha Pi is an academic honor society founded to recognize high-achieving students with disabilities who are attending colleges.

Sigma Alpha Pi National Society of Leadership and Success: Silver Stole

The National Society of Leadership and Success is dedicated to the enhancement of leadership skills for students.

TOPS College Success Program: Blue and White Cord

The Teens of Promise (TOPS) College Success Program supports scholars from the Madison Metropolitan School District for college and career success.

Scholars of Promise: Silver Stole

Scholars of Promise empowers income-eligible students to start their higher education journey with strong programs and financial support to reach their academic dreams.

Promise to Promise: Navy Blue and Red Cords

Through the Promise to Promise agreement between Madison College and the University of Wisconsin-Madison, Scholars of Promise students have an opportunity to continue their education and pursue a bachelor's degree.

Skills USA National Qualifiers: Red and White Cords

SkillsUSA empowers its members to become world-class workers, leaders and responsible American Citizens. Those wearing the white stole along with the red and white cord are members who are national qualifiers.

Student Parent Graduation Pin

Celebrates the hard-earned success of our student parents, who balance family and school (and often work) obligations to achieve their educational goals.

White Stole with Blue Ho Chunk Applique

Bestowed to Native American/American Indian graduates in honor of their academic achievements.

The Kente Graduation Stole

In gold, green, blue, red, and black, this stole recognizes the achievements of our Black and African students and pays homage to their African Ancestry and the diaspora.

Blue and Silver Cord

Celebrating the academic achievements of Latine students.

Student Athlete: White Stole

Those wearing the white stole with the Student-Athlete text and the WolfPack logo were Madison College intercollegiate student-athletes who spent countless hours representing the college both on the field and in the classroom.
