COLLEGE

Commencement Ceremony

December
2025

Congratulations to Our 2025 Madison College Graduates

Dear Graduates,

Graduation is a moment of celebration - a time marked by ceremony, tradition, and the support of those who believe in you. In the midst of the excitement, I invite you to pause and reflect on the journey that brought you here today.

Remember the day you walked into your first class? Some of you were nervous, some of you were excited.

I am pretty sure that all of you look back and can see how far you have come from that day. I know of the effort you invested, the challenges you overcame, and the resilience you demonstrated. These experiences have shaped you and prepared you for what comes next. I cannot wait to see what you will do now with the confidence that comes from knowing you have achieved something as big as a college degree.

Your time at Madison College is part of your story—a chapter that opened doors and expanded possibilities. Whatever your next step may be, know that you carry with you the skills, knowledge, and confidence to thrive.

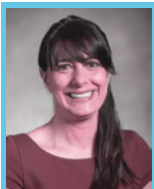

Tonight, you join a proud community of Madison College alumni who make a difference in our region and beyond. I encourage you to stay connected, share your successes, and continue to uphold the values of your alma mater.

On behalf of our faculty and staff, congratulations on this remarkable achievement. We send you forward with our best wishes for a future filled with purpose, joy, and success.

Take good care,

Dr. Berne

President, Madison College

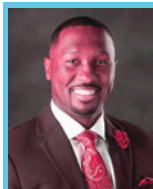

Shiva Bidar-Sielaff

Daniel J. Bullock

Christopher W. Canty

Donald D. Dantzler, Jr

Shana R. Lewis

Melanie Lichtfeld

Ann M. McNeary

Dr. Tonya Olson

Korbey White

Tonight, you will become a member of an impressive group of difference makers - the Madison College alumni. Our graduates have achieved significant accomplishments in many fields, and we look forward to hearing of your future success. We are confident you will meet the challenges that are ahead and succeed with enthusiasm and pride. Congratulations, and keep in touch!

Wisconsin Technical College System Ambassador & Student Senate President

Jose Villareal

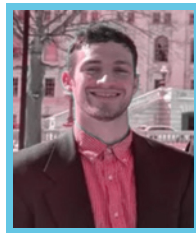

University Transfer - Science, Math, and Technology

Throughout the year, Villareal aims to motivate and inspire potential students to attend Madison College while fostering an atmosphere of acceptance and camaraderie.

He plans to transfer to UW-Madison to complete his bachelor's degree in biology.

Born and raised in Madison, Wisconsin, Villareal works full-time and serves as a senator in the Madison College Student Senate. He is a dedicated team player who is always willing to help. In his free time, he enjoys spending time with his fiancée and their daughter.

Student Senate VP Administration and Finance

Quinn Mattsson

University Transfer - Science, Math, and Technology

Quinn Mattsson is proud to call Madison his home. Growing up off of South Park Street, he didn't think higher education had a place for him, and worked various jobs after high school. Frustrated by the problems he saw so many people facing, he decided to make his place in higher education himself. Quinn intends to complete a Bachelor's degree after graduating from Madison College's University Transfer Program and ultimately give back to the people and places that shaped him.

Student Representative to the District Board

Hassan Hashmi

University Transfer - Science, Math, and Technology

Hassan Hashmi is a student in the University Transfer program at Madison College and plans to transfer to UW–Madison to major in Animal Science. He aims to pursue veterinary school and a research career focused on dairy cattle health and molecular biology. Hassan completed a competitive, NSF-funded summer research internship at UW–Madison through the Cellular and Molecular Biology (CMBS) Program, where he studied gene expression in Holstein dairy heifers in Dr. Hernandez’s lab. He currently serves as the Student Liaison to the Madison College District Board and previously served as the Vice President of Legislative Affairs in the Student Senate. He is also an NSF S-STEM Scholar and the Treasurer of the Muslim Student Association. In his free time, he enjoys volunteering, supporting fellow students, and helping lead projects that improve campus resources and student life.

Student Speaker

Karen Contreras

Fitness, Recreation, and Wellness Management (Associate Degree)

Karen Contreras is graduating with an associate degree in Fitness, Recreation, and Wellness Management. She is originally from Colombia and is the first in her family to pursue higher education. Karen is passionate about fitness because it has improved her life and gives her a more energetic and healthier lifestyle. She loves helping others do the same through exercise, nutrition, and health coaching. She is excited to enter the workforce, gain hands-on experience, and continue expanding her knowledge in the fitness industry. Her long-term goal is to become a wellness coach who supports and motivates people to build confidence, see positive changes, and stay committed to their well-being journey. In her free time, she loves traveling, dancing, hiking, working out, going out with her friends, and watching Grey’s Anatomy.

MADISON COLLEGE

Scholars of Promise

Making college possible by removing financial barriers

- » Open to eligible high school seniors, graduating this year, in the Madison College district
- » For eligibility details, visit madisoncollege.edu/scholars-of-promise

ACADEMIC REGALIA

As we know it, academic life began first in the church, then in the guilds. The teaching guild was the Guild of the Master of Arts, where the bachelor was the apprentice of the master, and the dress was the outward sign of privilege and responsibility.

Although the flowing gown was originally worn for protection against the cold of unheated buildings, it has now become a symbol of the democracy of scholarship, since it covers any dress of rank or social standing worn underneath. The bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. The bachelor's and master's gowns are untrimmed.

The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing or bars may be black or another color pertaining to the discipline.

The hood gives color to the academic costume while its length indicates the wearer's academic degree. Hoods are made in a wide panel of black cloth matching the gown, and are lined with satin in the official academic colors of the institution where the degree was conferred.

The colors are used in the edging of hoods, and in some cases for the trim of the doctor's gowns associated with the discipline.

Special Service and Award Distinctions

Graduates who are receiving special distinctions and honors can be identified by the different tassels, cords or stoles they wear in today's ceremony.

Special Service to the College and Community: Gold Cord

Indicates exceptional service to the college and others.

High Academic Honors: White Cord

Indicates a 3.75 cumulative grade point average or above in program of study.

Veteran/Active Military: Red, White, and Blue Cord

Identifies those graduates who have served, or are serving, in the U.S. military.

Phi Theta Kappa International Honor Society: Gold Stole and Tassel

Phi Theta Kappa is the honor society for high academic achievement at a two-year college.

TRiO Program: Multi-colored Stole

TRiO is a federal student support program for first-generation college students, students with disabilities, or those facing economic challenges.

International Students

International students will be wearing stoles representing their home countries.

Honors Program: Gold Medallion

Antique gold medallions with navy blue ribbons identify those graduates who have successfully completed the Honors Program.

Delta Alpha Pi International Honor Society: Yellow and Blue Tassel

Delta Alpha Pi is an academic honor society founded to recognize high-achieving students with disabilities who are attending colleges.

Sigma Alpha Pi National Society of Leadership and Success: Silver Stole

The National Society of Leadership and Success is dedicated to the enhancement of leadership skills for students.

TOPS College Success Program: Blue and White Cord

The Teens of Promise (TOPS) College Success Program supports scholars from the Madison Metropolitan School District for college and career success.

Scholars of Promise: Silver Stole

Scholars of Promise empowers income-eligible students to start their higher education journey with strong programs and financial support to reach their academic dreams.

Promise to Promise: Navy Blue and Red Cords

Through the Promise to Promise agreement between Madison College and the University of Wisconsin-Madison, Scholars of Promise students have an opportunity to continue their education and pursue a bachelor's degree.

Skills USA National Qualifiers: Red and White Cords

SkillsUSA empowers its members to become world-class workers, leaders and responsible American Citizens. Those wearing the white stole along with the red and white cord are members who are national qualifiers.

Student Parent Graduation Pin

Celebrates the hard-earned success of our student parents, who balance family and school (and often work) obligations to achieve their educational goals.

White Stole with Blue Ho Chunk Applique

Bestowed to Native American/American Indian graduates in honor of their academic achievements.

The Kente Graduation Stole

In gold, green, blue, red, and black, this stole recognizes the achievements of our Black and African students and pays homage to their African Ancestry and the diaspora.

Blue and Silver Cord

Celebrating the academic achievements of Latine students.

Student Athlete: White Stole

Those wearing the white stole with the Student-Athlete text and the WolfPack logo were Madison College intercollegiate student-athletes who spent countless hours representing the college both on the field and in the classroom.
