Welcome!

We welcome you to Diane's Delicious Diner, our service learning restaurant environment for second year culinary students.

Wherever possible, we proudly source ingredients from local producers and prepare each of our dishes from scratch each morning.

Please understand that due to the nature of our learning environment, our ability to accommodate and execute may at times be less than perfect. Our priority is our students' learning - please be patient and kind as we learn and grow together.

All gratuities are greatly appreciated and are deposited into the Madison College Foundation Culinary and Baking accounts to support student scholarships, events, and study abroad opportunities.
