Non-students, regardless of age, shall be permitted to visit classes offered by the Madison Area Technical College with prior consent of the instructor.

SCOPE

DEFINITIONS

POLICY STATEMENT

Consent and permission will be granted for the purpose of becoming knowledgeable about a course, contributing to the educational mission of the District or supporting the registered student in some way. Any child under the age of sixteen years who is not enrolled shall not be left unattended in college facilities and must have proper supervision by parent or guardian.

This policy does not preclude allowing a child in a class where the child contributes to the instructional process.
