COLLEGE POLICY

POLICY NUMBER: **2501A**

DATE APPROVED: November 7, 2019

POLICY TYPE: Administration

POLICY TITLE: Madison College Sustainability Policy

RESPONSIBLE ASSOC. /VICE PRESIDENT: The Vice President of Administrative Services or their designee(s) will administer the policy. The responsibility to develop and implement sustainability plans related to specific focus areas lies with the entire campus community.

POLICY PURPOSE:

Madison College must advance a sustainable culture that will positively impact the larger community and meet the needs of the present without compromising the needs of future generations.

POLICY:

Madison College will establish and monitor sustainability plans that promote a culture of environmental, social and economic responsibility for saving energy, conserving resources, reducing our carbon footprint and building awareness, to create a more sustainable community.
