CAMPUS ENGAGEMENT PROJECT
REEDSBURG CAMPUS
CAMPUS FUN DAY
THANKSGIVING BINGO
“I spoke again with campus staff and they have noticed the difference that you have made. We have more of a campus feel! Your activities are addressing cultural change at our campuses as opposed to the usual programmatic change! Gives students a reason to stay and encourages them to involve their families and greater community. Thanks again and look forward to working with you in the future. John”
FUTURE PLANS!!
Students attitudes about school are changing!

We are getting feedback both on current events and for future event ideas.

Students are coming up with ways to help other students and the community.

Faculty attitudes are changing!

The Campus Engagement Project makes a difference at Reedsburg Campus!!
