STUDENT ACTIVITIES FEE REFERENDUM
for Students at Regional Campuses

Explanation:

THIS REFERENDUM PROPOSES that beginning in September 2014, degree-credit students at Fort Atkinson, Portage, Reedsburg and Watertown Campuses pay a 2% per credit Student Activities Fee, which calculates to be $3.25 per credit. (Non-degree and non-credit students will not be assessed the fee and will not be eligible for programs and services supported by the Student Activities Fee.)

The Student Activities Fee will support: (1) entertainment, family-fun, holiday/special day events and social opportunities; (2) leadership and professional development opportunities; (3) academic and career success opportunities; (4) community engagement and service opportunities; (5) health improvement opportunities.

Funds paid by Regional Campus students, as a result of this referendum, will be used for activities and events at Regional Campuses, only. Funds will not be utilized at Madison-based campuses.

Funding will support Engagement Committees, which are led by Student Ambassadors and a Phi Theta Kappa student representative at each of the four campuses. The Engagement Committees are supported by Student Life and volunteer staff persons at each of the Regional Campuses.

Regional Campus students will be eligible to vote in Student Senate Elections and Referendums and will be eligible to serve as elected Student Senate representatives.
