Did you know?

- Dropping a class can affect students current and future financial aid and/or veterans benefits.
- Students are encouraged to contact the Enrollment Center if they are unsure how dropping a class could affect financial aid and/or veterans benefits.
- To have a class considered for financial aid, student must be registered by the Date of Record for each term. Please see madisoncollege.org/date-record.
- Students must be active in an eligible degree program to be eligible for financial aid.
- The priority deadline for the Free Application for Financial Aid (FAFSA) is April 15. As some funding is limited, students should apply at FAFSA.gov as soon as tax returns are completed.
- Effective July 2011, the Madison College student email is the official address and form of college business communication to all students. For help activating and accessing your email, students may visit madisoncollege.org/email-new.
