Learner Supplies
Over the Ankle Footwear of solid, sturdy construction. (boots), NO HEELS, NO CANVAS SHOES

why no heels? They get in the way for shifting and brake usage, mostly on the shorter people who tend to show up in heels.

Eye protection - CLEAR is best for dark /cloudy days

Long sleeved Top, must meet with gloves for no exposed skin. (jacket recommended)

Full Finger Gloves of sturdy construction, with no holes. Must meet with sleeves of top/jacket

Long Sturdy Pants with no holes or tears (jeans, or better material) NOT ATHLETIC PANTS!! Must cover ankles

Helmet (optional) 3/4 or full face only. We provide helmets if you don't own one.

Head covering (DO RAG) recommended if using our helmets

Water bottle and Snacks, it's a long day, you're going to need it!!!

Be prepared for non ideal weather. Rain gear if needed and enough layers to be warm and adjust as weather changes.

Instructor Grading Information
This is a Pass/Fail course.

You must be in attendance for 100% of the class. Being late is a problem, and will result in your unsuccessful completion of the course. Due to the high demand compact time frame of this class there are no refunds or make ups offered by the college for those who fail to show up on time.

If you have a successful score on the riding evaluation, attend the entire class, and present your eCourse completion paperwork you will receive a Wisconsin Road Test Waiver form.

ADA Statement
Madison College complies with all provisions of the Americans with Disabilities Act and makes reasonable accommodations upon request. Please contact Disability Resources Services at (608) 246-6716, room D1618 at Truax, or email drs@madisoncollege.edu.
