Courses with less than 10 students may be cancelled or merged with other courses in the immediate area. **Madison College will invoice the student approximately $104.14 for the course.**

Courses listed above are state approved 30 Hour EMT-Basic to Emergency Medical Technician (EMT) transition courses.

The hands-on portion of the course is completed on the dates listed above. Students in Hybrid classes have 30 days to complete the remainder of the curriculum online via Madison College BlackBoard. After registration students should log into their student email and BlackBoard accounts.

Registration is online or operator assisted phone. Online registration information is available at [www.madisoncollege.edu](http://www.madisoncollege.edu). Select “My Madison College” and follow the posted directions. After registration is complete, students may view class schedule/information through the online student center. Students should view the class notes via the online student center to obtain the exact address of the class.

If you have any questions, please contact Madison College Emergency Medical Services at 608-246-5250 or [HPS@madisoncollege.org](mailto:HPS@madisoncollege.org).

Tuition and fees for summer and fall have not yet been set but are expected to increase by approximately 5%. Final costs will be calculated after April 1. Please check your account balance at that time.
