- ✓ Healthcare Provider CPR Certification

Course Fee: $183.56
National Registry Practical Exam Fee: $100

This is a Hybrid class. The hands-on portion of the course is completed on the dates listed above. Students complete the remainder of the curriculum online via Madison College BlackBoard. After registration students should log into their student email and BlackBoard accounts.

Registration is Online, or operator assisted phone.
Online registration information is available at www.madisoncollege.edu. Select My Madison College and follow the posted directions. After registration is complete, student may view class schedule/information through the online student center. Student should view the class notes via the online student center to obtain the exact address of the class.

The course fees will be added to the student account unless a signed Madison College third-party billing authorization is included with the registration form.

Criminal History Verification and Health History are also required.

Once you have successfully completed the course, a NREMT exam fee of approximately $100.00 is required before taking the National Registry Exam. This payment will be made prior to taking the practical exam. More information will be given in class.
