Ready to take your future to the next level?

Achieve, network and succeed with the Madison College Honors Program. Join the ranks of Madison College’s top students.

Who you are -
- A new student with a high school GPA of 3.5 or higher,
- or
- a current student with at least 12 earned college credits with an accumulated GPA of 3.5 or higher, and current or prior involvement in a course taught by an honors faculty member.

What you’ll achieve -
New discoveries and opportunities
Qualified students will work with a supervising honors faculty member to develop an honors project topic approved by faculty, the appropriate dean, and the Honors Advisory Committee.

Choosing a topic:
- **Phi Theta Kappa members**
  1. If you are a member of Phi Theta Kappa, you may develop a project using the current Phi Theta Kappa honors topic. A study guide has been developed by Phi Theta Kappa and is available at ptk.org/honors. For January 2014 – January 2016, the topic is “Frontiers and the Spirit of Exploration.”
- **Alternative topics**
  1. If you are not a member of Phi Theta Kappa, you may work with a supervising honors faculty member to develop a project in his or her discipline. The Honors Advisory Committee must approve any topic that is not a Phi Theta Kappa topic.

What you’ll receive -
- **Valuable Credits**
  Students will receive 1-to-3 credits from Madison College. Each honors project credit requires approximately 45 hours of work. Work may involve planning, researching, writing, drawing, creating, practicing, faculty meetings and presentations.
- **Honors and Benefits**
  - Transcript recognition
  - Strong letters of recommendation
  - Honors competition participation
  - Professional mentorship opportunities
  - Graduation recognition*
  - Increased opportunities for scholarships and awards
  - Attention of transfer colleges

*Medallion awarded at commencement upon completion of 4-to-6 Honors Project credits and a cumulative Honors Project GPA of 3.5 or better.
