ASSOCIATE IN ARTS DEGREE

ENGLISH AND SPEECH..................................................................................................................9
Six credits must be in composition - English 1 and one other composition course (English 2 recommended) - and three credits must be in speech. For course options, run your advisement report at www.matcmadison.edu: MyMadisonCollege →Student Center →Academic Requirements. Be aware that not all course options are delivered in an accelerated format.

HEALTH/WELLNESS/PHYSICAL EDUCATION..................................................................................1

HUMANITIES/FINE ARTS..................................................................................................................15
Courses must be from at least three disciplines; one course in literature is required. Select from art appreciation/history, creative writing, drama, film, literature, mass communication, music history or theory, philosophy, and world language. A maximum of three credits of studio/hands-on courses in art, creative writing, drama, and music may be applied.

MATHEMATICS AND NATURAL SCIENCE......................................................................................11
Intermediate Algebra meets the minimum requirement in mathematics. *College Algebra & Basic Statistics – consult with your advisor to see if and how this class fits with your transfer plan. Select one biological science and one physical science; one of the science courses must include a laboratory.

SOCIAL SCIENCE...........................................................................................................................15
Select from at least three disciplines: anthropology, economics, government, history, psychology, and sociology.

ELECTIVES..........................................................................................................................................13
Select college transfer courses beyond the minimum requirements. One credit of health and physical education beyond the Health/Wellness/Physical Education credit may be selected. A maximum of six credits from a two-year occupational/applied associate degree program may be used.

ETHNIC STUDIES
One course required. Course may also count toward Humanities/Fine Arts, Social Science, or Electives.

WORLD LANGUAGE
May be met with one year in high school with a grade of ‘C’ or better OR one semester in college. College course may also count toward Humanities/Fine Arts or Electives.
