Connecting to Secure Wireless

Quick Setup: Mac iOS

- Select "Wi-Fi"
- Verify switch is "ON"
- Select "MC-Secure"
Type in your Madison College username and password.

- This is the same username you use to connect to Madison College email.
- Only type in your username, not the "@MadisonCollege.edu" portion.
If a certificate warning appears, verify it names **nps01.madisoncollege.edu**

If so, click “Accept”
More information: http://madisoncollege.edu/wireless

When your computer is connected, you will see checkmark printed beside the MC-Secure Wi-fi network.
