Bootcamp for Teens!

Let teens pursue their passion and get a taste of college campus life.

Interested in Stem Cells & Biotechnology? Filmmaking? How about Game Design? If you want an exciting, hands-on summer enrichment class, we have five for you to choose from. Maybe you want to learn to make your own movies or design your own game. Perhaps you are interested in a career in laboratory research or healthcare. Maybe you just want to learn more about videography or how to prevent sports injuries. Our classes are challenging and practical, and are taught by Madison College faculty, who want to show you what they teach to college students in a fun and hands-on way. They are committed to enriching our community by helping students achieve their career dreams; by attending these bootcamps you will get a chance to work with experts in the field and gain valuable skills while having fun and making new friends!

Code of Conduct and Authorization:

As a participant in a Madison College Continuing Education program, it is important to be respectful of the campus, the faculty, staff, and each other. In order to ensure the best experience for all involved, we have the following expectations:

• Respect your Workshop Leaders and ALL program participants
• ABSOLUTELY no teasing, hitting or inappropriate physical contact of any kind or inappropriate language
• Stay with your group at all times and participate in all activities
• Respect college students, faculty, staff and all campus facilities and equipment
• Do not handle other college student projects that may be in the classroom
• Do not run in the hallways of buildings
• Keep voices quiet in the buildings while other classes are in session
• Cell phone use is not allowed during class time unless it is contact with family

I have read and understood the Student Expectations and Responsibilities. I understand that a violation of these expectations could result in immediate dismissal from the Bootcamp. A return to the classroom will require a meeting with the Dean of Continuing Education, the student and the Guardian signing below.

I authorize Madison College to photograph and/or videotape my student. I understand these pictures and/or videos are being taken for recruitment, publicity, or news about Madison College youth programs. Any pictures or videos will become property of Madison College.

I hereby release Madison College and all of its employees and agents from any and all liability or damage arising from any accident, injury, sickness, or fatality when my student is participating in any activity related to the Teen Bootcamps except when such accident, injury, sickness, or fatality is covered by District insurance, in which case my claim shall not be greater than that which such insurance coverage affords.

One $200 Scholarship awarded for each class
Pursuant to the 1989 Wisconsin Act 24, Madison College may accept students under the age of 16 into classes for which they satisfy the requirements and have the ability to benefit from the instruction.

Individuals who have not reached their sixteenth birthday prior to the start date of the class must complete this form and obtain written consent of a parent or guardian, and must not be attending Madison College during the hours of the normal school day, as established under statutes 119.18 (7) or 120.12 (15).

INSTRUCTIONS - Please complete Sections I and II below, and submit your completed form in-person to the Enrollment Center - Truax, Room A1000, or Enrollment Center - Downtown Campus, Room D117; by mail to the Enrollment Center, Madison College, 1701 Wright Street, Madison, WI 53704; or by fax to (608) 243-4353.

Madison College reserves the right to deny enrollment in a class due to safety and/or educational concerns. Certain conditions may require instructor consent.
