Mission of Student Development & Success

As educators, we facilitate individual student success in a supportive, diverse, and collaborative environment. We are committed to meeting the holistic needs of our students by:

• Creating inclusive learning environments
• Fostering shared responsibility and ethical behavior
• Providing equitable access to high quality, student centered services & programs
• Promoting student development through engagement
• Collaborating within the college, district and diverse communities we serve

We promote excellence in leadership and innovation with a culture of service that fosters student success.
