MANAGE YOUR FATE

May 1, 2013

INTRO
Ciara rolls and lands on a dollar sign symbol, taking a card as well.

CIARA
"Alright! Refund check."

DILLON
"I think those need to be paid back."

NIMERA
"Aw, you took the fun right out of refund."

*Dillon roles the dice and moves his car piece.*

DILLON
"Oh no, I hit an obstacle! How do I get back on track?"

CIARA
"Read through this card." *(Hands him one with the no symbol)*

NIMERA
"And watch where you’re going!"

NARRATOR
"Clever girl! You keep your life in balance by working on all of your priorities in the first place."

MICHELLE
"Yeah. It looks like self management is the key to getting ahead here."

DILLON
"Aw, can’t I skip ahead?"

MICHELLE
"That’s unrealistic!"

CIARA
"Yeah, you can’t cheat – especially when it’s your life."

DILLON
"It says I have to remember my goals and dreams. Easy!"
MANAGE YOUR FATE

May 1, 2013

MICHELLE
"Here we go..."

NARRATOR
"Educational goals and dreams, m’boy, and beyond. Why are you here?"

DILLON
"I have a break between classes?"

NARRATOR
"Hilarity ensues! Now that you’ve taken control of your FATE, let’s make sure you STAY in control! Manage your budget in school, including your financial aid refund check, your student loans and plan for future repayment. Stay on track with your academic progress to ensure you maintain your awards and graduate on time!"
