Madison College Students Trick-or-Treat to Help Local Food Pantry

When your doorbell rings this Halloween, not everyone will be asking for candy.

Madison Area Technical College’s Phi Theta Kappa students are going door-to-door to collect non-perishable food and personal hygiene items for The River Food Pantry.

The event is called “Trick-or-Treat for Something Good to Eat” and the goal is to raise 1,500 items for the food pantry. Last year, students collected enough donations to feed more than 500 people. The event was such a big success, students decided to expand it to two days.

Students will be collecting donations from 3 to 5 p.m. on Saturday, October 30, in the Westmoreland community and from 5 to 7 p.m. on Sunday, October 31, in the Maple Bluff community.

###

Madison Area Technical College serves approximately 40,000 individuals annually, providing “real world smart” education through a comprehensive curriculum of technical, liberal arts and sciences, adult basic education and continuing education, as well as customized training for employers.
